Subject: LRB 2529 WHEG for UW and WTCS

Gordon,

Would it be possible to get the draft we have on whег grants for UW and Tech Schools (LRB 2591/1) drafted as two separate drafts (UW and WTCS)? Also, would it be possible to get that by the end of the day Thursday?

Additional PR Funding for WHEG-UW Program

[LFB Paper #675]

16

Motion:

Move to create a new program revenue appropriation under HEAB for the Wisconsin higher education grant (WHEG) program for UW students and transfer \$20,370,300 in each year from the UW System's tuition appropriation balance. Specify that these funds would be used to supplement grants provided under the WHEG-UW program.

Note:

The WHEG-UW program provides need-based grants to resident undergraduate students enrolled at least half-time in UW institutions. Base level funding for the program is \$58,345,300 GPR in 2012-13 and the same level of funding would be provided in each year of the biennium under the bill. The amount of funding that would be transferred is estimated to be sufficient to: (1) increase the average grant amount to \$2,184; and (2) provide grants to all eligible applicants who enroll in UW institutions.

Under current law, the WHEG-UW appropriation is a sum sufficient appropriation with funding increases linked to the average increase in resident undergraduate tuition at UW institutions. This funding link was suspended during the 2011-13 biennium and would be suspended during the 2013-15 biennium under the bill. In 2010-11, the average WHEG-UW award was \$1,962. If the average WHEG-UW had increased by 5.5% in 2011-12 and 2012-13, which is the same percentage amount by which base resident undergraduate tuition increased at UW institutions in those years, the average award in 2012-13 would have been \$2,184.

In 2011-12, the most recent year for which data is available, 30,692 UW students received WHEG-UW grants. An additional 5,350 students enrolled at UW institutions were eligible for WHEG awards in that year. When combined with the GPR funding provided for WHEG-UW under the bill, the amount of funding provided in the new PR appropriation for the WHEG-UW program would be sufficient to provide grants averaging \$2,184 to 36,042 students.

Additional PR Funding for WHEG-UW Program

Move to create a new program revenue appropriation under HEAB for the Wisconsin higher education grant (WHEG) program for UW students and transfer \$20,370,300 in each year from the UW System's tuition appropriation balance. Analysis by the Legislative Reference Bureau

Under current law, \$58,345,400 is transferred from the University of Wisconsin (UW) System to the Higher Educational Aids Board (HEAB) and appropriated for Wisconsin higher education grants (WHEG grants) for UW System students in fiscal year 2013-14 and a sum sufficient of general purpose revenues are appropriated to HEAB for those grants in fiscal year 2014-15. This bill, in addition, transfers \$20,370,300 in each fiscal year from the UW System to HEAB and appropriates those moneys for WHEG grants for UW System students.

~~Under current law, there is appropriated to HEAB \$20,797,900 in fiscal year 2013-14 and \$18,797,900 in fiscal year 2014-15 for WHEG grants for technical college students. This bill converts that appropriation to a sum sufficient appropriation, but caps the amount that may be expended from that appropriation in each of fiscal years 2013-14 and 2014-15 at the amount necessary to fund WHEG grants for all eligible technical college students who apply for those grants as determined under the same formula that HEAB used to award those grants in fiscal year 2011-12.~~

BILL
